

ABOUT US

Relax logistics Pty Ltd is a South African registered company which was founded in 2015 as a transport and logistics company with its core business being road freight solutions to Southern and Central Africa. The company made its triumphant entry into the transport industry with a single one ton truck. Through the shrewd management style of the founder and current sole owner, the firm has grown in leaps and extended its business into freight forwarding and cross border trucking.

Relax logistics provides SAME-DAY / EXPRESS and EMERGENCY services for both domestic and international clients. The company is currently being sub-contracted by major players in the industry but capacity has now been facilitated to enter into stand-alone contracts whenever these opportunities present themselves.

OUR VISION

Relax logistics focuses on the needs of its customers, understanding their values (time is money). The management always complies with basic managerial practices and human principles in an endeavor to attain growth and wealth of its stakeholders.

OUR MISSION

Relax logistics will thrive to become a world-class transport and logistics company providing premium world-class service for specific segments of customers in line with flexible service and tariff rates giving cognizance to different operation periods in the year on a local and international basis with the aim of assuring profitability and growth in the interest of its stakeholders.

OUR CORE VALUES

1. Honesty to our clients
2. Integrity
3. Communication
4. Attention to Detail
5. Internal Training and Development
6. Team Work
7. Flexibility

DEDICATED SERVICES

- **Logistics**

We handle a number of dedicated loads, these are for shipments that are very urgent and the client cannot afford any delays which may happen on consolidation, these shipments vary from a half ton up to 8 ton trucks. For this we can offer open and closed trucks.

- **Custom Clearing**

We have set up a team of professional clearing agencies at all border posts to assist with clearance. This is to ensure that cargo gets cleared as quickly as possible. We offer 24 hour proof of delivery and a week to retrieve a copy of customs documentation.

- **Same Day | Express | Emergency courier**

We offer same day, Express or Emergency Services. These vary from anything as small as a Document up to 8 Ton Haulage. This is when you need it delivered URGENTLY without any DELAY. We provide this Service to Local business, Major cities and Neighboring countries.

SECURITY

All vehicles are equipped with satellite tracking for monitoring and management, the satellite tracking covers the whole of Southern Africa.

MARKET

The company is primarily geared to pick up and deliver freights to and from the following countries in Southern Africa; Republic of South Africa, Swaziland ,Lesotho, Zambia, Botswana, Mozambique and Namibia

RECRUITMENT VALUES

We employ experienced and professional drivers who take their job and vehicles to heart. Their understanding of the paperwork is amazing and it does a great deal in speeding up all cross border procedures at every border post.

OUR TEAM

Relax logistics staff consists of young, qualified, dynamic and passionate professionals who can assist you all the way in making the correct decisions regarding client's transport needs.
